ENVIRONMENTAL STATEMENT

ENVIRONMENTAL STATEMENT

At Sprint Ventures SMC Limited, we are committed to protecting the environment and integrating sustainable practices into every aspect of our operations. We recognize that climate change is a global challenge, and we are proud to be part of the solution through conscious business decisions that reduce our environmental footprint.

We continuously explore innovative ways to reduce waste, conserve energy, and manage resources responsibly. Below are some of the practical steps we take to uphold our environmental values:

- » **Refurbishing Equipment:** We send machine parts for refurbishing to extend their life cycle and reduce electronic waste.
- » **Toner Reuse:** We clean and refill toner cartridges to minimize plastic and chemical waste.
- » **Paper Recycling:** Waste paper is collected regularly and responsibly recycled through licensed paper recyclers.
- » **Cardboard Recycling:** All cardboard packaging is sorted and sent for recycling.
- » **Energy Conservation:** All computers are shut down at the end of each workday to reduce energy consumption.
- » **Efficient Lighting:** Lights are switched off daily when not in use or when leaving the premises to conserve power.
- » **Optimized Climate Control:** Our air conditioning systems are maintained at an energy-efficient temperature of 24°C.
- » **Print to Order:** We print only what is needed, reducing unnecessary production and minimizing waste from outdated materials.

We believe that even small changes can lead to significant environmental impact. Through these actions and ongoing improvement, Sprint Ventures SMC Limited is doing its part to contribute to a greener, more sustainable future.
